SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Honorable Sir:

Pursuant to Section 1.97 of Title 37 of the Code of Federal Regulations, and supplemental to the Information Disclosure Statement filed on January 6, 2004, record is hereby made of additional information which the United States Patent and Trademark Office may wish to consider during examination of the above-entitled application. No representation is made or intended that a prior art search was conducted, or that no better information than that listed is available. It is requested that it be fully considered and made of record in this case.

A Supplemental IDS was filed on 2/9/04 providing the same art cited herein. Recently, however, a typographical error was noticed on that IDS wherein the serial number was mis-typed as 10/662,921. In a phone conference with Examiner Torres on 10/18/04, the undersigned learned the IDS filed on 2/9/04 was not of record in the USPTO and it was recommended that the IDS be re-submitted for consideration.

Serial No.: 10/622,921

This IDS is being filed before the mailing date of a first Office action on the merits, thus no fees or an additional statement is not believed to be due.
